DECEMBER 19, 2014

December 19, 2014

Dear Families,

Today we honor Christmas, Hanukkah, Kwanzaa and the winter solstice in our last Muddy Brook all school assembly of 2014. We are with billions of people from different cultures around the world celebrating this season as a time of light and connectedness with family and community. Here in the Berkshires traces of snow over sparkling frozen branches invite our wonder and awe. And we reflect on what a joy and gift it is to be in a place where learning for all is a shared commitment.

Thank you for being a part of Muddy Brook. Thank you for encouraging your child(ren) to be the best that they can be and for celebrating their effort and success. And thank you for encouraging your neighbors and friends as well. We're grateful for your attendance at concerts and your support for music and the arts. And we are grateful for all the time you volunteer here and in the community. Today all students will come home with progress reports. Our goal is to share valuable information about your child's learning and growth and to partner with you in supporting next steps.

We value effort over time and are committed to continuous improvement. If you have ideas about ways that we can improve our work with students, our communication with you, or any aspect of life at our school, please reach out to us and share your thoughts.

We wish you a warm, healthy and happy holiday season with family and friends. And we hope you share stories, read books, and delight in using numbers as part of your revelry.

Peace and cheers,

Mary Berle
Principal
