Conferences begin at 1pm and end at 6pm. If you have not made an appointment yet, or need to schedule a conversation for another time, please reach out directly to your child's classroom teacher. Learning specialists will be available to meet with you before or after the student-led conference. Art, Library, Tech and PE Specialists will also be available and sharing work they do with your children. Please visit them!

We have a few arrival reminders. Please note that this information is also available in your Student & Family Handbook.

Drop-off: All those dropping students off must enter the *front* of the building.

Early Arrival: (8:00am) Students may be dropped off early to participate in music lessons, band, chorus, unicycle team, chess, the morning library program or Berkshire South childcare. If you are dropping your child off early, you must walk with your child to the program and sign him/her in. Please be sure to connect with the adult leading the program.

Regular Arrival: (8:35-8:40am) Children must enter the building accompanied by an adult. At this time students may go to their grade-level neighborhood. The adult does not need to sign the student in if they have arrived on time.

Late Arrival: (after 8:40am) Children who arrive late are to report to the office with an adult and be signed in by that adult. Tardy arrivals require a written note.

Thank you for supporting clear routines and overall safety at Muddy Brook.

Happy Spring!

IF YOU LIVE OR WORK IN WEST STOCKBRIDGE

Help Design our Flag!

*West Stockbridge needs a flag
to hang at the Statehouse in
the Great Hall of Flags!
Most towns have one.*

Help us design a flag for West Stockbridge! Make a scale model in color of your original design for the flag. Submit it by email to kcarmean@gmail.com with your name, address and phone number so we can contact you if your design is one of four finalists. Consider the scenic beauty, industry/business, and history of our town.

People of all ages who live or work in West Stockbridge may design the flag. Since the flag will be 4x6 feet, you can make the model 4x6, 8x12 or 2x3 inches. If you don't have a camera or email, the Library at 21 Stateline Road will take a picture and submit it for you. Their hours are Tues. 10-5, Wed. 1-5, Thurs. & Fri. 2-6, and Sat. 10-2.

Designs are due Wed. April 29 to kcarmean@gmail.com who will confirm. Four finalists will be chosen by the Artists' Guild with previous input from the Historical Society, the flag makers and others. The public is invited to vote by paper ballot in a separate box for their favorite design of the four on May 11 during town elections.
