Play with a partner.

1. Player 1 rolls the cubes, takes that amount in coins, and records the amount.
2. Player 2 rolls the cubes, takes that amount in coins, and records the amount.
3. Keep taking turns. You can trade coins. At the end of each turn, figure out how much money you have.
4. The game is over when each player has collected at least $1.00.

More Ways to Play

- At the end of each turn, try to make trades so that you have the fewest possible coins.
- Try to collect exactly $1.00.
- Play with a multiple-of-5 cube.
- Play *Collect $2.00*.
